Discussion Items

October Board of Governors Meeting and Retreat

The Board of Governors of Southern West Virginia Community and Technical College will hold its October 19 business meeting and annual planning retreat scheduled for October 20 at the Embassy Suites Hotel in Charleston, West Virginia. The Board will focus on development of a Strategic Plan during the retreat.

Salary Plan Committee Appointed

Chair Akers appointed a committee to develop a salary plan for Southern to provide annual salary increases for employees. The group will develop several scenarios for the full Board's review. The Salary Plan Committee is comprised of James Sheatsley, Shelley Huffman, Kevin Fowler, Joanne Tomblin, Merle Dempsey, Patricia Clay, and Carol Trent; Michael Baldwin and George Morrison will serve as ex-officio members.

Promotion in Rank and Tenure Policy on Hold

President Tomblin informed the group that policy SCP-2686, Promotion in Rank and Tenure, which

should have been presented at today's meeting for approval for a 30-day comment period, has been placed on hold until current issues are resolved.

Legislative Priorities

President Tomblin presented the Board with information she obtained at the August 24, 2006 meeting of the West Virginia Council for Community and Technical College Education (Council).

On September 1, 2006, the Council submitted its FY 2008 appropriation request to the West Virginia Higher Education Policy Commission (HEPC), which in turn will submit a consolidated higher education appropriation request to the West Virginia Budget Office. Consistent with past practice, Council staff has worked with the Council's Legislative Committee to develop this proposal.

The most important documents in an appropriation request are for improvement packages (additional funding for next fiscal year) and supplemental appropriations (additional funding for the current fiscal year).

The total proposed improvement request for FY 2008 is \$15,776,135. The following is a summary of FY 2008 improvement package requests and supplemental appropriation requests proposed by the Legislative Committee and categorized consistent with the funding categories

outlined in Senate Bill 653 (2000):

- Peer Equity Funding—\$5,000,000. Southern is at 90% of Peers and Allocation Formula
- Allied Health Program Expansion—\$4,210,051. Funding would allow community and technical colleges to expand allied health programs at their institutions and increase enrollments in these programs by almost 60%.
- Technical Program Development—\$1,000,000. Funding would provide ongoing additional assistance to community and technical colleges in developing new technical programs.
- Faculty/Staff Salary Enhancement—\$1,329,697. Ongoing funding to address faculty and staff salaries. Both faculty and classified employees are paid less than their counterparts, nationally, regionally, and locally.
- Laboratory Equipment Upgrades—\$3,236,387. Will assist community and technical colleges in providing laboratory and equipment upgrades.

Child Advocacy Program

Southern recently became involved in the development of a Child Advocacy Center for Logan County. The College has agreed to provide space for the Center in the basement area of the Logan Downtown Annex which is currently being renovated. Logan County officials are currently seeking grants to fund the pro-

gram.

The Child Advocacy Center is a coordinated team approach and humane way of handling child abuse cases. While some services can be provided without a separate facility, a free-standing Center is essential to a comprehensive team approach. This should be a facility that pro-

vides safety, both real and symbolic, for children and families.

Southern supports this effort to provide services to the community. Both Merle Dempsey and Pamela Alderman have been instrumental in the development of this program. Mr. Dempsey will serve on the Board of Directors for the Center.

SCORE Program

Mr. Roy Simmons, Registrar, informed Board members that Southern's Student Connected O-line Retention Environment (SCORE) program provides web-based student assessments, 24-hour access to student and intervention resources, and a mentoring forum designed to engage students from new student orientation throughout their freshman

year.

This pilot program utilizes a software program called "Campus Toolkit", and was funded through a mini-grant from the West Virginia Higher Education Policy Commission and the West Virginia Community and Technical College Council.

The program involves 33 new students participating from all four campuses; a CS 100 course pilot with 36 students; and a CS 100 high school course with 20 students; 20 faculty/staff volunteers and one coordinator.

Mr. Simmons will provide a progress report for the Board at its June meeting.

President's Report

President Joanne Tomblin updated the Board on relevant institutional developments:

1. Mr. Fred Scott, Vice President for Finance, has taken a new position at Brazosport College in Lake Jackson, Texas. His last day at Southern will be Friday, September 29, 2006. President Tomblin extended an invitation to the Board to attend his "Farewell Luncheon" which will begin at noon in Room 111 at the Logan Campus. This will be an opportunity for Mr. Scott to be closer to his children and grandchildren.
2. Mr. Carl Baisden was named Director of the Academy for Mine Training and Energy Technologies. Mining classes began September 24. The Surface Mine Simulator has been delivered and training for personnel on the Simulator will be provided October 23-26 in Room 116 at the District Office.
3. The new Lincoln County High School provided an *Open House* for students, parents and area residents on August 24th, which included a tour of Southern's new wing. We have hired a Site Coordinator and are working with officials at the Lincoln County Board of Education and the new high school to determine what programs can be offered.
4. The VISION 2020 Major Gifts Campaign kick-off celebration was held on September 7, 2006 at the Earl Ray Tomblin Convention Center. It was a huge success with approximately 200 persons in attendance and media coverage by WSAZ, WCHS/FOX 11, WV Public Broadcasting, Network West Virginia, WVOW Radio, WXCC/WBTH Radio, Williamson Daily News (front page), Logan Banner (front page), Appalachian News Express (front page), and Coal Valley News (feature article). As part of the Major Gifts event, we have raised private matching funds to enable us to begin a new Respiratory Care Technician program which will be housed at the Williamson Campus. We will hold a live press conference at 2:30 p.m. on Wednesday, October 4th in the lower lobby of the Williamson Campus.
5. On October 2, 2006 the Mine Office and Bathhouse Facility Celebration will be held at the Mountain Laurel Complex in Sharples, West Virginia with Steve Leer, President and CEO of Arch Coal, Incorporated, and Governor Joe Manchin officiating. President Tomblin received a telephone call today requesting that she attend the event as a large gift will be presented to the VISION 2020 Campaign.
6. The Williamson Campus Task Force report is complete. The summary of recommendations will be sent with the Board's October agenda book. President Tomblin also plans to send the recommendations to personnel at the Williamson Campus for review and comment.
7. President Tomblin expects to receive a preliminary report from the Presidents Task Force on Recruitment, Retention and Graduation on Friday, September 29th. A summary of the report will also be sent with the Board's October agenda book materials.
8. The projected completion date for the new Allied Health and Technology Center is May 2007.
9. The National Accrediting Agency for Clinical Laboratory Sciences (NAACLS) Site Visit for continuing accreditation of the Medical Laboratory Technology (MLT) program will be conducted October 3-4, 2006 at the Logan Campus.

Other

Board Honors Scott

Board of Governors Chair, Linda Akers, issued a citation honoring Mr. Fred Scott for his service and dedication to Southern West Virginia Community and Technical College during the past three years. Chair Akers presented Mr. Scott with a plaque and thanked him for his service to the Board of Governors and the College.

Faculty Senate Chair Addresses the Board

As prescribed in West Virginia Code §18B-6-3(g), the Faculty Senate held its annual meeting with the Board of Governors to discuss matters affecting the faculty. Ms. Martha Maynard, Faculty Senate Chair, introduced Senate members Dr. Charles Wood and Ms. Kathy Deskins to the group. Ms. Maynard presented a PowerPoint Presentation to the Board on the issues of concern that impact the faculty.

Next Meeting

The next Board of Governors meeting is scheduled for October 19, 2006, beginning at 6:00 p.m. at the Embassy Suites Hotel, Charleston, West Virginia.
