

## COURSE ARTICULATION AGREEMENT

between

**SOUTHERN WEST VIRGINIA COMMUNITY & TECHNICAL COLLEGE**

and

**MARSHALL UNIVERSITY**

This course articulation agreement is prepared to assist students attending Southern West Virginia Community & Technical College in coordinating their curricula with Marshall University's curricula. This agreement should ease the uncertainty of transferring to Marshall University.

The Marshall University Admissions Office will convert all transfer credit and will add the transfer credit onto the Marshall University record by entering all courses completed and grades earned. The Marshall University academic college to which the student has been admitted will determine how these courses apply to the transfer student's degree program.

The remainder of this agreement deals with the equation of Southern West Virginia Community & Technical College courses with those at Marshall University. **The following rules will apply to the transfer process:**

1. Some courses will be labeled "Unclassified." This means that Marshall University does not have a course equivalent to the Southern West Virginia Community & Technical College course.
2. All credit transferred from Southern West Virginia Community & Technical College, with the exception of developmental coursework, will be classified as Lower Division (100-200 level) credit regardless of course number.
3. Developmental courses transfer to Marshall for the consideration of placement into university-level coursework, but the courses transfer as zero hours.
4. In order to receive credit for a Marshall University course which contains both lecture and laboratory components, Southern West Virginia Community & Technical College students must complete both corresponding lecture and laboratory components prior to matriculation at Marshall University.
5. Student's transferring to Marshall University's Lewis College of Business (LCOB) should contact the LCOB for more information on possible additional course requirements.
6. Not more than seventy-two (72) transfer hours will be applied toward a Marshall University baccalaureate degree program.
7. Because of course changes (i.e. deletions, additions, number changes), Marshall University reserves the right to update this articulation agreement whenever University authorities deem it expedient to do so.

If you have any questions or concerns, please contact the Marshall University Admissions Office at 304-696-3160 or 1-800-642-3499.
