**SECTION 1. PURPOSE**

- 1.1 It is the responsibility of the Southern West Virginia Community and Technical College Board of Governors to review at least every five years all programs offered and address the viability, adequacy, necessity, and consistency with the mission of the programs to the institutional master plan, the institutional compact, and the education and workforce needs of its district. The outcome of this review process may result in the discontinuance or elimination of a program or course of study. The elimination of a program or course of study may result in the elimination of faculty positions. This policy addresses the elimination of faculty positions in regard to faculty notification, preferred consideration, faculty obligations and responsibilities, and the appeal process.

**SECTION 2. SCOPE AND APPLICABILITY**

- 2.1 This policy applies to all categories of faculty employees.

**SECTION 3. DEFINITIONS**

- 3.1 Probationary Faculty - Those faculty members who have been appointed on a full-time (1.00 FTE or the equivalent, as determined by the institution) basis and have been designated as being in a tenure-track position.
- 3.2 Tenured Faculty - Those faculty members who have attained tenure status as determined by the institution.
- 3.3 Term Faculty - Those faculty members who have been appointed on a full-time (1.00 FTE or the equivalent, as determined by the institution) basis who are not in a tenure-track status nor tenured. While a full time term faculty member is eligible to receive reappointment to additional terms, no single term may exceed three years. No number of term appointments shall create any presumption of a right to reappointment or to appointment as tenure-track (probationary) or a tenured faculty.

- 3.4 Instructional Specialist - A type of term appointment defined as those faculty members who have been appointed minimally on a nine-month basis and an hourly workload. The appointment is for a specified term not to exceed three years. The instructional specialist is eligible to receive reappointment to additional terms. No number of term appointments shall create any presumption of a right to reappointment or to appointment as a tenure-track (probationary) or a tenured faculty. In addition to teaching, instructional specialists will have responsibilities for various academic support activities.
- 3.5 Program - Curriculum or course of study in a discipline specialty that leads to a certificate or degree.

#### **SECTION 4. POLICY**

- 4.1 It is the policy of the Southern West Virginia Community and Technical College Board of Governors to treat the faculty fairly and adhere to West Virginia Council for Community and Technical College Education's policy in regard to faculty notification, preferred consideration, faculty obligations and responsibilities, and appeal processes in the event a faculty position is eliminated as a result of the program review process.

#### **SECTION 5. BACKGROUND OR EXCLUSIONS**

- 5.1 This policy does not apply to decisions regarding faculty discipline or dismissal for cause.

#### **SECTION 6. GENERAL PROVISIONS**

- 6.1 A faculty member's appointment may be terminated because of the reduction or discontinuance of an existing program as a result of a review of the program, in accordance with the appropriate policy relating to review of academic programs.

Such notice will be provided by letter sent via Certified Mail-Return Receipt Requested, postmarked and mailed no later than March 1.
- 6.2.1.2 The affected tenured faculty shall be given at least one year of notice of termination of employment following the Board of Governors action to approve termination of a program or the date of the final institutional action for major reduction in a program. Such notice will be provided by letter postmarked and mailed at least one year before the expiration of her/his appointment, sent via Certified Mail - Return Receipt Requested.
- 6.2.1.3 The affected term faculty or instructional specialist faculty may be permitted to complete the current period of appointment in accordance with the terms of his/her appointment. The term faculty or instructional specialist faculty shall be notified of the elimination of his/her position by letter sent via Certified Mail-Return Receipt Requested, postmarked and mailed at least thirty (30) calendar days prior to the effective date of termination.

- 6.2.2 Each faculty member who has been given notice of termination at the end of the contract period will be allowed early release at the end of any term or session from his/her contract upon request, even though the contract may extend beyond that time.
- 6.2.3 Each faculty member who is given notice of termination at the end of the contract period under these conditions shall be given a personal letter from the institution that expressly states that termination does not imply a negative judgement about the person's individual performances, but is due to a program change.
- 6.2.4 The institution shall assist the faculty member, to the extent possible, in sending letters of explanation and professional resumes to other institutions to assist his or her effort to find suitable placement elsewhere.

### 6.3 Preferred Consideration

- 6.3.1 When possible, affected faculty shall be reassigned to instructional or non-instructional duties commensurate with faculty members' education, training and experience.
- 6.3.2 When possible, by mutual agreement, faculty members shall utilize reduced time or leaves of absence to acquire capabilities in areas in which their services would be required within the institution. Faculty development programs and funds, if available, should be used to facilitate such reassignments.
- 6.3.3 Listings of vacancies at other institutions shall be made available to the faculty member at the institution through the Human Resources Office of the West Virginia Higher Education Policy Commission.
- 6.3.4 The employing institution with vacancies will be encouraged to give preference in hiring to displaced faculty members and also to those faculty members seeking to relocate in the system. The terms and conditions of offers will be determined by the employing institution.
- 6.3.5 If, within two years following the reduction or discontinuance of a program, a position becomes vacant for which the affected tenured or probationary faculty member is qualified, the College will make every effort to extend first refusal to the faculty member so terminated.

## **SECTION 7. RESPONSIBILITIES**

**Revision Notes:** July 2011 - Revisions reflect major changes in policy. Procedural sections were deleted because the process and procedure for program review and recommendation for program elimination or reduction are contained in SCP-3620, *Policy Regarding Program Review*, and SCP-3625, *University Transfer Program Evaluation Model*. The result is a policy that addresses terms and conditions of employment for faculty affected by program reduction or elimination. Therefore, the policy was re-titled and reassigned more appropriately to the 2000 Series of policies in accordance with SCP-1000, *Manuals, Announcements, and Policies (MAP) Development System*.

September 2016 - Revisions reflect minor changes to the Purpose Statement (Section 1.1), and includes education as a preferred consideration, along with training and experience for faculty being reassigned (Section 6.3.1).
