Southern West Virginia Community College Foundation, Inc.
 P.O. Box 2020
 Mount Gay, WV 25637

Dear Friends of Southern:

The Southern West Virginia Community College Foundation has once again enjoyed a successful year, full of accomplishments. The Foundation's "Vision 2020 Major Gifts Campaign" now in its second year has succeeded beyond expectations, reaching 84 percent of its 2010 goal. On behalf of the Foundation Board, Executive Board, and members, we present you with this 2007 Annual Report and thank you for your continuing support of our goals.

The Foundation is pleased to support Southern West Virginia Community and Technical College, the "flagship" community and technical college for the State of West Virginia. During 2007, the Foundation was proud to provide Southern with more than \$300,000 in scholarships, new programs and marketing.

Our support assisted the College in the completion of a new 55,000 square foot state-of-the-art Allied Health and Technology facility. Classes began in the new facility on January 14, 2008.

Support for Southern's **Academy for Mine Training and Energy Technologies** enabled more than 2,000 individuals to be trained with the most up-to-date technology and equipment, meeting the critical worker shortage in the mining and gas and oil industries. Additionally, the Foundation in partnership with the Logan County Commission and Logan County Economic Development Authority assisted with renovations to the new Academy facility.

Although Southern West Virginia Community and Technical College continues to maintain affordable tuition for residents of the district, the Foundation realizes that finances are still a barrier for many individuals who wish to attend college. One of the Foundation's greatest priorities has been providing individuals with financial assistance, and in 2007, provided approximately \$125,000 for student assistance and scholarships.

Our "Vision 2020 Major Gifts Campaign" has been an effort of great magnitude which can only be as successful as the people who support it. It is up to all of us to secure a strong financial future for our children, grandchildren, friends and neighbors. We continue to call on your support for all our efforts in building a strong future for southern West Virginia.

The Southern Foundation firmly supports Southern Virginia Community and Technical College's tradition for excellence in education. We challenge you to continue your support of the "Vision 2020 Major Gifts Campaign" by investing in the future lives of our citizens.

Sincerely,

George A. Kostas
 President
 Southern West Virginia Community College Foundation, Inc.

"For it is in giving that we receive."
