Associate in Arts

60 Credit Hours

Students planning to earn a baccalaureate degree at a four-year institution may complete the first two years at Southern West Virginia Community and Technical College by earning the Associate in Arts degree.

A student may attend full-time (12 hours or more per trimester) or part-time (less than 12 hours per trimester) to complete the Associate in Arts degree. Classes are offered day and evening. After meeting all the prerequisites, a full time student can complete the degree in four or five trimesters and a part time student can complete in six or seven trimesters. The program is delivered in various formats. Students may take traditional, online, or blended courses. The Associate in Arts degree is offered in the fastrack format on the Williamson Campus and can be completed in 14 to 16 months. In the fastrack format, the student attends class for four hours per day, Monday through Friday for two weeks. At the end of one fastrack class another begins in the same format.

A trimester-by-trimester program course sequence is available at [http://www.southernwv.edu/programs/associate-in-arts](http://www.southernwv.edu/programs/associate-in-arts)
