SECTION 6. GENERAL PROVISIONS

- 6.1 Southern West Virginia Community and Technical College strongly endorses the continued use of admissions guidelines and employment practices that promote broad diversity in community colleges. Southern will pursue standards and guidelines which allow it to fulfill its diversity missions and visions. The students we educate will help provide tomorrow's leaders, and their college experience must demonstrate the richness and substance of our diverse, multi-cultural and global environment. The college environment should promote understanding and appreciation of others, while encouraging students to grow as individuals.
- 6.2 Southern West Virginia Community and Technical College reaffirms its commitment to diversity. In accordance with this philosophy, Southern strives to continually evaluate its hiring, admissions, and financial aid policies to ensure diversity and equal access within the institution. The College strives to ensure that the results of these evaluations conform to the concept of open access - the cornerstone of the community college mission.
- 6.3 Southern West Virginia Community and Technical College believes that diversity is crucial to a democratic society. Southern will encourage and enhance the fullest understanding of human rights and responsibilities and should teach the skills that allow our students to effectively participate in a democratic society. Southern is responsible for shaping an environment that mirrors the general culture and creates opportunities for all within the College community to interact with understanding, tolerance, and respect for others. In this way, diversity in education not only serves as a model for the world at large, but it also helps perpetuate social harmony for the future.
- 6.4 Southern strongly endorses the adoption of policies and procedures designed to counteract and prevent hate crimes. Hate crimes, are defined herein as crimes that manifest evidence of prejudice based on race, religion, sexual orientation, gender, or ethnicity, including where appropriate, the crimes of murder, non-negligent manslaughter, forcible rape, aggravated assault, simple assault, intimidation, arson, and destruction, damage or vandalism of property.
- 6.5 Southern's belief, born of experience, is that diversity in its student body, faculty, and staff is important for it to fulfill its primary mission: providing a quality education. The reasons include:
 - 6.5.1 Diversity in the institution's student body and workforce enriches the educational experience. We learn from those whose experiences, beliefs, and perspectives are different from our own, and these lessons can be taught best in a richly diverse intellectual and social environment.

- 6.5.2 Diversity in the institution’s student body and workforce promotes personal growth and a healthy society. Diversity challenges stereotyped preconceptions; it encourages critical thinking; and it helps students and employees learn to communicate effectively with people of varied backgrounds.
 - 6.5.3 Diversity in the student body and workforce strengthens communities and the workplace. Education within a diverse setting prepares students to become good citizens in an increasingly complex, pluralistic society; it fosters mutual respect and teamwork; and it helps build communities whose members are judged by the quality of their character and their contributions.
 - 6.5.4 Diversity in the student body and workforce enhances America’s economic competitiveness. Sustaining the nation’s prosperity in the 21st century will require us to make effective use of the talents and abilities of all our citizens, in work settings that bring together individuals from diverse backgrounds and cultures.
- 6.6 Achieving diversity on our campuses does not require quotas. Nor does diversity warrant admission of unqualified applicants. However, the diversity we seek, and the future of the nation, does require that we continue to be able to reach out and make a conscious effort to build healthy and diverse learning environments appropriate for our mission. The success of higher education and the strength of our democracy depend on it.

SECTION 7. RESPONSIBILITIES

- 7.1 All employees, supervisors, committees, councils, and boards making recommendations or decisions for the institution are responsible for supporting and promoting this diversity philosophy.

SECTION 8. CANCELLATION
