Southern West Virginia Community and Technical College is an Equal Opportunity/Affirmative Action Institution and does not discriminate based on race, sex, gender identity, pregnancy, sexual orientation, age, disability, veteran status, religion, color, or age in admission, employment, or educational programs and activities; nor does it discriminate based on genetic information in employment or employee health benefits. Faculty, staff, students, and applicants are protected from retaliation for making complaints or assisting in discrimination investigations. This nondiscrimination policy also applies to all education programs, to admission, to employment, and to other related activities covered under Title IX, which prohibits sex discrimination in higher education. Southern will take steps to ensure that a lack of English language skills will not be a barrier to admission and participation in the college's CTE offerings. Auxiliary aids and services are available upon request to individuals with disabilities. Southern West Virginia Community and Technical College also neither affiliates with nor grants recognition to any individual, group, or organization having policies that discriminate based on race, ethnicity, sex, color, creed, gender, religion, age, sexual orientation or gender orientation or expression, physical or mental disability, marital or family status, pregnancy, genetic information, veteran status, service in the uniformed services, ancestry, or national origin.
