## Entrepreneurism, Skill set

---

### Purpose

The Entrepreneurism Skill Set will provide the basic skills needed to start a small business by focusing on a particular skill, trade, or niche market in the local economy. Through a blend of online and classroom presentations, the student will learn the process of building a business plan and locating the resources and financial opportunities to bring their idea to the local economy.

The full Entrepreneurism Skill Set is available online. Some courses may be offered at Campus locations. Check schedule for offerings.
