

Southern West Virginia 2022-2023 Southern Academic Catalog Community Technical College

Medical Coding, Skill set

Purpose

The Medical Coding Skill Set prepares students to take the Certified Coding Associate (CCA) Exam through the American Health Information Management Association (AHIMA).

The required courses help the student demonstrate coding skills in a variety of healthcare settings, including inpatient and outpatient hospital settings and physician offices..

The full Medical Coding Skill Set is available online. Some courses may be offered at Campus locations. Check schedule for offerings.
