**REVIEWED:**

### **SECTION 1. PURPOSE**

- 1.1. Southern West Virginia Community and Technical College (“the College”) recognizes and supports the official use of social media as a valuable tool for engaging with audiences across our service district, including current and prospective students, employees, customers, visitors, board members, and other stakeholders. This policy affirms the expectation that all employees and affiliated individuals uphold standards of conduct that are safe, lawful, ethical, and consistent with the mission and values of the College.
- 1.2. Given that social media can often blur the distinction between personal expression and the voice of the institution, the College has established this policy to provide clear guidance for the appropriate use of social media platforms. These guidelines are also intended to assist College employees, students, board members, and other constituents who reference their affiliation with the College on personal social media profiles, helping them navigate the balance between personal expression and institutional representation, while respecting constitutional protections of free speech and academic freedom.

### **SECTION 2. SCOPE AND APPLICABILITY**

- 2.1 This policy affirms the College’s expectation that employees, students, volunteers, and board members uphold behavior on social media that is safe, legal, ethical, and aligned with the mission and values of the College. These standards are intended to protect both individual personal and professional reputations, as well as the reputation of the College as a respected institution of higher education.
- 2.2 The College values open expression and encourages the use of social media by its administration, faculty, staff, board members, and students to support and enhance student learning. While upholding the right to free speech and individual expression, the College also emphasizes the importance of maintaining professionalism and protecting one’s professional reputation in all social media interactions. Nothing in this policy shall be construed to limit constitutionally protected speech, academic freedom, or rights guaranteed under state or federal laws, including the National Labor Relations Act.

### **SECTION 3. DEFINITIONS**

- 3.1 Social Media – Any media for online publication and commentary, including, but without limitation, all blogs, wiki’s, memes, and social networking sites such as X (formally known as Twitter), Facebook, Instagram, TikTok, YouTube, Flickr, LinkedIn, and Snapchat.

## **SECTION 4. POLICY**

Social media provides powerful opportunities to exchange ideas and connect with others.
- 4.2 As technology continues to evolve, these guidelines will be regularly reviewed, updated, and revised as needed. The College has established these guidelines to help the College community navigate the safe, legal, and ethical use of social media.
- 4.3 The improper use of social media is strictly prohibited. Such misuse may include, but is not limited to, the following:
