SIP-2220.A, Course Feedback Survey

Southern West Virginia Community and Technical College (Southern) needs your help to assess the effectiveness of this course. Having nearly completed this course, you have impressions that are of value to the instructor in the planning, developing, and delivering of future courses. Your instructor and the College are very interested in these impressions. This survey will allow you to share those impressions with us.

Students who have completed these surveys in the past have provided valuable information and feedback that have been used to improve the course. Please take enough time to provide written comments when appropriate. Your comments, whether positive or negative, are important to your instructor and the College. Thank you for helping us continue to improve.

Note: Your responses are confidential and will not be shared with the instructor until after the semester is over and final grades have been submitted. Having said that, the instructor will not be able to see who responded or what the respondent said.
