

**Southern West Virginia Community College Foundation, Inc.
SFP-4000.B, Southern Foundation Scholarship Application**

Overview

All students enrolled in degree-seeking programs at Southern West Virginia Community and Technical College may complete this application to be considered for a scholarship. These are "last dollar scholarships" designed to provide funds to those students who have an unmet financial need after applying for other sources of assistance. If a student receives a scholarship, it will be counted in determining his/her financial need. It may be reduced if the scholarship, when combined with other sources of assistance, more than meets the student's documented financial need.

The Southern Foundation will make scholarships available to eligible students at \$500.00 per academic year. The scholarship award may be more depending on the individual financial needs of the student. The scholarships may be renewable, based on student financial need (determined annually), program status, and funding availability. All students in need of financial assistance are encouraged to apply.
